Unmatched power positioning

Corpus is the most ergonomic and capable wheelchair seating system in the world. It is thoughtfully designed and configured to empower functional movements while supporting your optimal body position.

Power Platform and +Connect form the core digital infrastructure of this power wheelchair, combining advanced assistive technology with smart connectivity. Connected from the factory*, this chair is online and ready for proactive service, remote insights, and efficient support from day one. The connected chair reflects Permobil's commitment to reliability, transparency, and confidence over the life of the chair.

**From 1 July, 2026, for chairs delivered in Australia.*
