## Home screen

Shopping basket

User Name and Account

The screenshot shows the Permobil online store home page. At the top, the browser address bar displays 'https://permobil-au-production.parttrap.com'. The Permobil logo is on the left, and the user is logged in as '[redacted]'. The shopping basket icon shows '0 / \$0.00'. Below the navigation bar, there are dropdown menus for 'Exploded views', 'Power', and 'Information'. The main banner features a couple in a wheelchair with the text 'Permobil online store' and 'Find Spare Parts and Accessories for your Permobil'. A search bar is present with the placeholder 'Search'. On the right, there is a 'Spare parts guide' section and three dropdown menus for 'Current Models', 'Supported Models', and 'Unsupported Models', each with the placeholder 'Choose your model'. At the bottom, there are three columns: 'My Orders' with a 'Search Order' link, 'My account' with links for 'Account Detail', 'Customer Information', 'Favorite Products', and 'My shopping lists', and 'Permobil Tools' with a 'Search Customer' link. A 'Welcome [redacted]' message is displayed above the 'My Orders' column.

## Cart screen

The screenshot shows the Permobil online store cart interface. At the top, there is a navigation bar with the Permobil logo, a search bar, and a cart icon showing 8 items for a total of \$4,788.55. A yellow box highlights the user's name and account information. Below the navigation bar, there is a search bar labeled "Add known item or search" and a "Quickshop" section with a "Stock code" input field and a "Qty" input field. The main content area displays a list of items in the cart, each with a product image, product name, estimated delivery date, price, quantity, and a delete button. A red box highlights the "ESTIMATED DELIVERY DATE" column. At the bottom, there are buttons for "EMPTY CART", "EXPORT TO EXCEL", "IMPORT CART", "MAIL CART", and "CHECKOUT". A "TOTAL:" label shows the cart total as \$4,788.55. Annotations in blue boxes point to various elements: "User Name and Account" points to the user information; "Cart summary" points to the cart icon; "Add known item or search" points to the search bar; "Delivery date of approx. 3 days indicates the product is in stock. Order will automatically default to 'Ship Complete' when all parts are available." points to the delivery date column; "Dealer and MSRP price with applied discount" points to the price column; "Finalise purchase" points to the "CHECKOUT" button; "Import a list of parts/products from Excel" points to the "IMPORT CART" button; "Create Excel file from current cart" points to the "EXPORT TO EXCEL" button; and "Send a copy of the cart by email" points to the "MAIL CART" button.

## Product information view

**Please note:**

1. Parts that require special programming prior to dispatch must be ordered via email to Customer Service to ensure they are programmed prior to dispatch. This includes some actuators, master modules, power modules.
2. Custom parts and some parts for serialised products must be ordered via email to Customer Service to ensure correct parts are supplied. This includes TiLite parts where length or configuration is customised to the chair specification. Includes camber tubes, coloured and anodised components etc.

If you are in any doubt, please contact our Customer Service team.

# Permobil Online Store

## Open and closed (invoiced) orders

The screenshot shows the 'List orders' page in the Permobil Online Store. The page includes a search bar, filter options, and a table of orders. Annotations highlight specific features:

- Account Code and Name:** A box at the top points to the 'Account Code and Name' field in the search bar.
- Search field:** A box points to the 'Order number' input field.
- Search field options:** A box points to the 'Search by:' dropdown menu.
- Open Orders (not shipped) / Closed orders (Invoiced):** A box points to the radio buttons for 'Open orders' and 'Closed orders'.
- Permobil EXO Sales Order Reference:** A box points to the 'Order no' column in the table.
- Account Name:** A box points to the 'Order customer' column in the table.
- Purchase Order Reference:** A box points to the 'Customer orderno' column in the table.
